

AES is here to help during this unprecedented time.

First and foremost, all of us at AES Corporation sincerely hope that you, your colleagues, and loved ones are safe and healthy.

As we continue to monitor the latest COVID-19 news updates, we're reaching out to let you know you can rely on our staff for sales and support assistance. We're here to help your company get through this crisis with as little disruption as possible. Whether you want to place a stocking order now for inventory or delay your next blanket order, we're here to help make things easier.

While we're all feeling the impact of nationwide shutdowns and social distancing, we'll get through this together as a community.

Kind regards,

Patrick Moran
President & Chief Operating Officer

Let's stay connected.

AES Sales
